

Think like a child...

A joyful heart is good medicine... Proverbs 17:22

A little girl walked to and from school daily. Though the weather that morning was questionable and clouds were forming, she made her daily trek to school. As the afternoon progressed, the winds whipped up, along with lightning.

The mother of the little girl felt concerned that her daughter would be frightened as she walked home from school. She also feared the electrical storm might harm her child. Full of concern, the mother got into her car and drove along the route to her child's school. As she did, she saw her little girl walking along.

At each flash of lightning, the child would stop, look up, and smile. More lightning followed quickly and with each, the little girl would look at the streak of light and smile.

When the mother drew up beside the child, she lowered the window and called, "What are you doing?"

The child answered, "I am trying to look pretty because God keeps taking my picture."

Mathew 18:3 Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven.
